IWA BEFORE SCHOOL PROGRAM

Incarnate Word Academy opens at 7:00 a.m. for students enrolled in various before school activities (i.e. MathCounts, Spelling, and Latin). Any student participating in before school activities will go directly to the specified classroom. IWA offers a before school program to assist families with other children not enrolled in before school activities, or families with early working hours. This program is open to all IWA students in grades Kindergarten-Prep - 8 who arrive to school between 7:00 – 7:30 a.m. Students are grouped by grade and assigned to a safe and supervised room where they can read, work on assignments, or talk to fellow classmates.

The fee for the Before School Program is \$30.00 per student for the 2016-2017 school year. Please print and complete the registration form at the bottom, enclose your check and return to the Attendance Office by Wednesday, August 24, 2016. On-line registration and payment is also available via the IWA website.
