

Discover. Learn. Grow.

Saint Joseph Academy is excited to offer a variety of summer camps where campers will explore, learn and create through hands-on learning.

Our summer camps teach new skills and provide tools that enable children to strengthen their minds and pursue their passions. This summer we are excited to offer a few new camps!

To complement our Varsity sports program, we are introducing a softball camp as well as a sailing camp. For budding artists, there are two new visual art camps: "Working with the Masters" and "Art of Many Cultures." Aspiring singers will enjoy our chorale camp, and those that like to create and explore will use the equipment in our Makerspace innovation lab to design a range of projects.

When: June 11 through August 4, 2018
