#### Summer Learning

IWA's Director of Technology and Innovation, Mrs. Karen Micheli, took a deep dive this summer attending workshops at Hawken School and the Case Western Reserve Sears think[box] to earn certifications in using equipment that will be housed in our new clean and dirty labs. The training entailed hands-on learning with various power tools such as a CNC machine, various saws and sanders(grinders) and drill presses.

Our new labs will be ready for use this September! Time to dream, imagine, create, and build!

## Camp Warrior

The All Around Cleveland Camp recently concluded 4 days of traveling throughout Cleveland to take advantage of all that our hometown has to offer! The girls visited Huntington Beach, the Christmas Story Museum, Upcycle Parts Shop, the Cleveland Zoo, the Westside Market, and the new Cafe Blanc in Parma Heights.
