Community Partner Helps Solve Real World Problem!

A big shout to "Mr. Mark" Wentz, Director of Facilities for IWA, who was able to implement one of the Kinder Prep student's ideas proposed to solve a school-wide problem occurring in the restroom, as some kinder prep students are unable to independently reach the paper towel dispenser.

The students watched as Mr. Mark used tools (that made loud noises) to remove the dispenser from the wall and place it in a lower spot for all to reach.

Cheers and hugs were given to Mr. Mark with the greatest of enthusiasm!
